TONIC. ALTERATIVE AND CATHARTIC Simmons Liver Regulator, purely vegetable, is the medicine generally used in the south to arouse the torpid Liver to healthy action.

It acts with extraordinary power and officacy on the Liver and Kidneys. The action of the Regulator is free from nausea, or griping. It is most effective in starting the secretions of the Liver, causing the bile to act as eathartle. When there is an excess of bile in the stomach, the Regulator is an active purge; after the removal of the bile it will regulate the bowels and impart vigor and health to the whole system.

I had him under the charge of two velerinary surgeons, who falled to care him. I was one day reading the advertisement of Kendall's Spavia Cure in the Chicago Express, I determined at once to try it and got our druggists here to send for hi They ordered three bottles: I took them all and thought I would give it a thorough triad, used it according to directions and the fourth day the colt ceased to be hane, and the image have disappeared. I used but one bottle and the colts limbs are as free from himps and as smooth as any horse in the State. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles, who are now using it.
